**Request for Offers for Flexible LPS Service**

Equitrans is requesting offers from qualified parties to purchase flexible Loan and Parking Service under Equitrans Rate Schedule LPS.

Parties wishing to subscribe to the flexible LPS service described below shall submit offers based on the following criteria and conditions:

- a) The Flexible LPS service will allow shippers to park (inject) and/or loan (withdraw) a Maximum Quantity ("MQ") of plus or minus (+/-) 500,000 Dth. The Maximum Daily Quantity ("MDQ") will be 5% of shipper's MQ. Shippers will be permitted to move from the starting balance of zero directly to an injection into, or a withdrawal (without first injecting) from, the Flexible LPS contract. The shipper will be permitted to inject up to their MQ (e.g. positive 500,000 Dth/park position) or withdraw down to their MQ (e.g. negative 500,000 Dth/loan position). Shipper must have a zero Dth balance at the end of the contract term.
- b) Equitrans will consider offers for a MQ that are less than the 500,000 Dth available (50,000 Dth increments). The MDQ shall be 5% of shipper's MQ.
- c) Point of Service: Gas will be received from customer and returned to customer at Equitrans' Braden Run, Braden 2, Crayne Farm and Jefferson Interconnects with Texas Eastern, Meters 18120/18120B, 73907/73907B, 11180/11026, and 73713/73713B.
- d) Rate: \$ per Dth Monthly Rate to be assessed on Maximum Quantity (please use four decimal places when submitting offers).
- e) Injection fuel of 1% will be assessed on parks.
- f) Term: The term will begin April 1, 2025, and continue for no less than one year but no greater than five years.
- g) Offer Period: Beginning March 5, 2025 starting at 10:00 AM ET and ending on March 19, 2025 at 10:00 AM ET. Any offers submitted after the offer period will be rejected.
- h) Offers must be submitted via email to GasManagement@eqt.com.
- i) Submitted offers are binding upon receipt by Equitrans.
- j) Questions regarding this offer should be directed to either Steve D'Orazio @ 412-709-9895 or Chris Phillips @ 412-266-6673.

Equitrans will evaluate and select / reject offers following the Offer Period. Equitrans will consider the following criteria in determining the winning offer(s):

- a) Parties must meet all conditions outlined in this offer as well as those defined in Equitrans' FERC Gas Tariff, including the credit requirements of Section 6.27 of Equitrans General Terms and Conditions.
- b) All submitted offers are for the Maximum Quantity and Maximum Daily Quantity identified in a) and b) above. Offers must identify the Rate for the service with four decimal places. Offers that do not satisfy the requirements of this request may be rejected.
- c) Offers will be evaluated using an NPV evaluation as described in Equitrans' Tariff section 6.40[5(b)]. In identifying the offer with the highest NPV, Equitrans will use the Monthly Reservation charge and any other form of guaranteed revenue within the offer. Equitrans reserves the right to seek clarification and/or negotiation of critical terms to best manage Equitrans' needs and obligations. Additionally, Equitrans reserves the right to reject any and all offers consistent with its Tariff. Any negotiated rates are subject to FERC approval. Equitrans will acknowledge acceptance of appropriately submitted offers by e-mail or instant messaging with an LPS service agreement to follow.

Equitrans may terminate this Request for Offers at any time in its sole discretion.
